

Talent Evaluation Test is your first step into the Play By Ear™ Method; it is a professional service (RM150.00 basic rate until further notice) which help measure your ability to discern the various movements of sound plus your dexterity. (Call us for the latest rates). We recommend that you do NOT judge yourself! Almost everybody we know underrate themselves.

Take the test to find out and then we will advise you accordingly. If you have enough talent, you will definitely benefit from this course. Otherwise, we will recommend that you "consider another hobby!" :-)
