Play By Ear Coaches must be trained in our system and are certified on a year to year basis dues to its rapid development in teaching methods. He/she must also be performance based i.e. A real musician,...more a musician than academic. Then only is he/she qualified to advise one who wants to play for fun and enjoyment. Below is the image of the yearly certificate awarded to our coaches:

Important things to note are:

- The year the coach is certified to teach. Outdated certs means that the coach has only learnt the outdated techniques and may not be updated on the latest developments.

- The name of the coach.

- The courses he/she is certified to teach

- Authorized signature

- Serial Number of the certificate

- If the coach does not have the cert displayed or is not current, he/she is not from Play By Ear and the company bears no responsiblities as to the results of his/her coaching.
